

Dear Parent/Carer

Re: Timetable changes after October half term

As you may already know, we have been keeping students from the same year group zoned within the school, to try to minimise students movement and the potential spread of Covid. For Term 1 Year 11 have been based in the Science labs, and Year 10 have been based in the humanities rooms. For Term 2 these base rooms will swap, and as a result the toilet facilities and break/lunch arrangements will also swap:

From Monday 2nd November		
	Year 10	Year 11
Base rooms for most lessons	Science labs (B203, B204, B205, B206, B215, B216)	Humanities rooms (B119, B220, B223, B224, B225, B226)
Toilets	Science floor (opposite B204)	Humanities floor (opposite Innovations room)
Break and lunch	Kiosk Outside area between canteen and Hub	Canteen (A side) Outside area between A and B block
Wet break/lunch	Canteen	Innovations, students may still go to the canteen to purchase food

All students will be given a new timetable this week from their Form Tutor.

Yours faithfully

pp Mrs K Lea
Vice Principal
