

4th September 2023

Dear Parent/Carer

Post 16 Information Evening

We would like to extend a warm welcome to our Year 12 students who have begun their Post 16 journey with us. Our primary aim is to make sure all students are happy and healthy and are able to meet their full potential. We want all students to be able to progress to the next stage of their life successfully, whether it be higher education, an apprenticeship or employment.

We would therefore like to invite you to join us for an information evening on **Thursday 7th September. 5:30pm-6:45pm**. The evening will start with a short presentation from the Post 16 Leadership Team giving you and your daughter/son important guidance about how to achieve the very best they can during their time in Post 16.

You will then have the opportunity to visit teachers for each subject that your daughter/son is studying for 15 minutes each. Teachers will be giving information on the course outline, how to achieve the best possible grade, and resources that can be used for independent study, amongst other key pieces of information. There will also be time to ask any questions you may have about the subjects.

Students should attend the evening with their parents. This is a great opportunity to ensure that students, parents and the College are all working together for the best possible outcomes, and I look forward to seeing you there.

Yours faithfully

Mrs J Ijewere
Raising Standards Leader Post 16
